CONSIDER DIGITAL TOOLS FOR ONLINE ENGAGEMENT

Disclaimer: ILG does not endorse any of these companies or tools. We have compiled the list based on tools that we have used, tools that other local agencies have used and tools that we've learned about at conferences, workshops and webinars.

kauses by konveio	**Interactive PDF**. While scrolling thought proposed plans, users leave comments, look up additional info, learn more with just one click, share experiences on social media.	*Inform Consult*
SeeClickFix	**311 service request app**. Users can submit tickets, ask questions, take surveys, learn about road closures, receive status updates.	*Inform Consult Involve*
